

Everything Reminds Me of You

There are so many things about you
That makes me like you.
When I try to run away
Everything reminds me of you.

I can't stop thinking about you!
I see you in my dreams
And every time I daydream,
I see you it seems.

When I look down into the water
I see you standing next to me.
And when I walk in the yard
I see you in the trees.

I want you to come back to me
So it can be me and you.
What I am trying to say,
Is that I love you!
