

Who's Who

Select a person from the list below. As soon as you've made your choice let me know. Only one person can research each person. Using [Google](#) or [Hotbot](#), search for this person on the net. When you have found what appears to be useful information copy the material to Word. Use Times New Roman, Courier or Arial 14 pt font. Use 1.5 spacing and full justification. Your document should fit on 1 page. Find a picture of the person. Save the picture and insert it into your document.

Paraphrase your material for a third or fourth grader. Remember, the student must be able to define new words through the context!
