

The Greatest Mom Award

The world's greatest mom in the world is my mother, Valencía Taylor. Valencía deserves this award because she has been the best mom I could never think of having. She always has been the perfect provider, the most giving person I know, and she disciplines me. She is the greatest mom a girl ever had!

My mom Valencía is the perfect provider. She gives me clothes to put on my back and shoes to put on my feet. My mom is the greatest because she feeds me. She makes sure I have a nice hot plate of food every night for dinner, and a snack when I get home from school. She gets me junk food and money when she can. My mom is the perfect provider because she gives me everything I need.

My mom deserves "The Greatest Mom Award" because she disciplines me. She yells at me when I don't do my chores. She might even hit me because she loves a clean house. My mom yells at me when she doesn't know where I am because she gets worried. She disciplines me when I lie, because it is wrong and there is no reason to lie. She usually makes me feel bad so I won't do it again. Valencía is the greatest mom because she disciplines me and if she hadn't I wouldn't be the young lady I am today.
